*Meet old friends, make new ones*

### Programme

Sidholme's check-in time is anytime after 2pm. After Friday's evening meal, the weekend kicks off with our traditional sing-around in the bar.

Saturday morning workshop sessions will explore west gallery psalms, hymns and short anthems, many from local sources. After lunch, participants can choose between optional sessions of glee singing or an instrumental workshop which will include lively dance tunes and military music from the late Georgian/early Victorian eras. Alternatively an afternoon's relaxation at the hotel or perhaps a leisurely stroll into Sidmouth to enjoy some sea air and the town's other attractions, may appeal? After tea, there will be a short singing session before the bar opens before supper. Evening entertainments will follow as usual.

Sunday morning will consist of two workshops, this time on Christmas music and carols. After lunch, the singing continues with more local carols and Christmas anthems. Our Autumn Sing 2019 will wind up over tea at 4.30pm.

*Both the Saturday and Sunday sessions will be open to visitors on a daily basis with an extra option to book and pay for the Saturday evening meal and/or lunch on Sunday on arrival at Sidholme.*
