

Parking information for the West Gallery Music Weekend in Winchester

For the **Saturday daytime workshop** it is best to use one of the P&R car parks (get off at the City Road bus stop) or try the Worthy Lane & Cattle Market (next to each other) as there is very limited parking any closer to Winchester Baptist Church. If you are using the P&R and staying for the ceilidh, please note that the P&R buses stop at around **6:30** so you may want to move your vehicle.

For the **evening ceilidh and Sunday workshop** the P&R will not be operating and the nearest Car Parks are Worthy Lane & Cattle Market (next to each other) which are free from 6pm, and a short walk from Hyde Parish Hall.

If you are dropping someone / something off at either venue then do please note that:

==> From City Road there is no left turn into Hyde Street

==> From Hyde Street there is no right turn into City Road
